THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

16 November 1976

Mr. Terrence O'Donnell  
Aide to the President  
The White House

Dear Terry:

I am quite proud of the enclosed photograph and would be much obliged if the President would sign it as a memento.

I hope all goes well for you and that the future gives you more time for the tennis court. I hope the town will continue to profit from your presence and that the government continues to be your bag.

Best regards.

Faithfully yours,

E. H. Knoche
